

Explanatory Notes :

### **1. Black Spot Programme**

These payment figures are for a specified timeframe only and do not show the total Australian Government funding amount that the States and Territories receive. Black Spot funding is for a range of projects across the jurisdictions which are recommended by a Consultative Panel comprised of state and local representatives, as well as community and transport organisations. Payments are made to the jurisdictions based on project expenditure forecasts. When these expenditure forecasts are not met, the funds are used on other projects within the jurisdiction. This appears as a negative payment amount for projects where funds were transferred to other projects.

### **2. Roads to Recovery Programme**

Payments under this programme are made to funding recipients (usually councils) quarterly based on their actual and forecast expenditure on the individual projects each funding recipient has chosen to spend R2R funding on. Where a funding recipient crosses an electoral boundary, the full amount paid over the period specified in the FOI request is shown in each electorate. For example, in the ACT (where there are no councils) the funding recipient is the Territory & Municipal Services Directorate so the amount of \$8,641,527 shown against the electorates of Canberra and Fraser is the same funding and should not be added together. Similarly, the \$2,258,276 paid to Brisbane City Council (BCC) over the specified period is shown against all of the electorates covered by BCC.

### **3. Financial Assistance Grants**

- a. Bring forwards are shown in the year in which they were entitled, not paid.
- b. Figures do not include the bring forward from 2015-16 of \$1,144,350,027 announced on 29 June 2015.

### **4. National Stronger Regions Fund**

No National Stronger Regions Fund payments were made as at 30 June 2015.
