

Third Edition ADRs – Applicability Summary

Passenger Vehicles

1. This Table shows:
 - a. the national standards (Australian Design Rules) currently in force for **new** model vehicles and the vehicle categories to which they are applicable, as at the date this Applicability Summary is published (see footer and note *);
 - b. the dates on which new national standards will come into force and the vehicle categories to which they will be applicable (light green highlighted);
 - c. earlier revisions of the national standards that may be accepted as equivalent to the standards in force for **new** model vehicles (refer to each relevant standard's list of acceptable prior rules); and
 - d. the national standards that have been superseded by other standards (light yellow highlighted) or withdrawn with no direct replacement (light red highlighted).

2. Australian Design Rule (ADR) notation:

ADR X/00 indicates the original version of ADR X

ADR X/01 indicates the first revised version of a standard where the amendment increases in stringency, includes additional vehicle categories, or changes content significantly. ADR X/02 is the second revision, and so on.

ADR X/..., the ellipsis ... indicates the latest version.

3. Vehicle Category Codes:

Codes for vehicle categories and definitions are in [Definitions and Vehicle Categories](#) and can be found on web page: <http://www.infrastructure.gov.au/roads/motor/design/adr_online.aspx>

(The United Nations (UN) Vehicle Category Codes are also shown in brackets in the Table)

MA - PASSENGER CAR - A passenger vehicle, not being an off-road passenger vehicle or a forward-control passenger vehicle, having up to 9 seating positions, including that of the driver.

MB - FORWARD-CONTROL PASSENGER VEHICLE - A passenger vehicle, not being an off-road passenger vehicle, having up to 9 seating positions, including that of the driver, and in which the centre of the steering wheel is in the forward quarter of the vehicle's '*Total Length*'.

MC - OFF-ROAD PASSENGER VEHICLE - A passenger vehicle having up to 9 seating positions, including that of the driver and being designed with special features for off-road operation. (See [Definitions and Vehicle Categories](#) for special features)

MD - LIGHT OMNIBUS - An omnibus with a '*Gross Vehicle Mass*' not exceeding 5.0 tonnes.

ME - HEAVY OMNIBUS - An omnibus with a '*Gross Vehicle Mass*' exceeding 5.0 tonnes.

4. **The table is for guidance only. Users must refer to the relevant standard for the circumstances under which the standard is mandatory or optional.**

5. Symbols used in the Table:

<i>Symbol</i>	<i>Meaning</i>
X	Applicable.
*	Application date when the ADR becomes effective for the vehicle category described. This may be different between new and existing model vehicles. See relevant standard for details.
**	Application date may be different depending on vehicle category. See relevant standard for details.

6. In addition to the above national standards, Australian Design Rule – Harmonisation, facilitates the automatic acceptance of the latest version of UN regulations that have been adopted as alternative standards within the ADRs and have been 'applied' by Australia under the UN 1958 Agreement. Refer <http://www.comlaw.gov.au/Details/F2012L00336> for more information.

Third Edition ADRs – Applicability Summary Passenger Vehicles

Australian Design Rule			Vehicle Category Code – Passenger Vehicles							
ADR No.	Date*	Description	MA (M1)	MB (M1)	MC (M1)	MD1 (M2)	MD2 (M2)	MD3 (M2)	MD4 (M2)	ME (M3)
1/00	01/10/91	Reversing Lamps	The circumstances are set out in ADR 13/...							
2/00	01/07/88	Side Door Latches and Hinges	X	X	X					
2/01	01/07/08	Side Door Latches and Hinges	X	X	X					
3/00	01/07/88	Seats and Seat Anchorages	X	X	X	X	X
