## Ministry for the Arts

A grant is a conditional transfer of resources from the Australian Government to a recipient for a specified purpose. Grants are directed at assisting recipients to achieve their own goals whilst also supporting Australian Government policy objectives.

The Ministry for The Arts was transferred from the Attorney General's Department in September 2015. For completeness, all grants awarded for the current financial year (from 1 July 2016) are published here.

CBMS/PBS Program Title: 2.1 Arts and Cultural Development refers to all grants.
