

**CIRCULAR 13/00-3-1**

**INTERPRETATIONS**

**Interpretation No. 1 (Clause 6.9) - Front Position (Side) Lamps**

Front Position (Side) Lamps are required on all flat top or skeletal style trailers over 2100mm in width. However, the Front Position (Side) Lamps may be combined with the front Side Marker Lamps.

**Interpretation No. 2 (Clause 6.13) - End-Outline Marker Lamps**

End-Outline Marker Lamps are not required on trailers when the vehicle's structure prevents them from being at least 200mm above the Front Position (Side) Lamps.
