The Jervis Bay Territory Office has received the **2022–23 Tip Vouchers** from Shoalhaven City Council (SCC). The Household Waste Vouchers are able to be used at any of the Waste and Recycling depots in the Shoalhaven.

The vouchers are delivered by SCC on behalf of the Australian Government, along with the usual kerbside wheelie bin collection.

#### **What do you get?**

Each household in the JBT will be issued two (2) vouchers each, identified by a bar code linked to your property address. **Please be aware that SCC staff may request proof of residential address.**

SCC also provides an on-call Garden Organics and Bulky Waste pick-up service, with the household vouchers able to be used instead of paying the standard service fee.

#### **How to collect your vouchers**

Vouchers will be available for collection from the JBT Administration Building at 50 Village Road between 9am -midday and 1-4pm on all weekdays, except for Wednesdays. Please bring proof of residency (drivers licence etc.) when collecting, as you will be asked to sign for your vouchers.

Vouchers are valid until **31 July 2023** and are not transferrable to other people. Vouchers **will not** be replaced if lost. The next issue will be in August 2023.

You can contact SCC on 4429 5681 for more information and to make pick-up bookings.
