Statement on Ministerial visit to the Indian Ocean Territories

The Australian Government has regrettably postponed an upcoming Ministerial visit to the Indian Ocean Territories (IOT) due to unforeseen circumstances.

Having visited the IOT last year, the Minister for Territories understands the importance of engaging with our communities, including local leaders and businesses, in person.

Plans for a future Ministerial visit will be shared with the community in due course.

As your Administrator, I will continue to work with the Minister for Territories and the Government to deliver the best outcomes for our region.

Farzian Zainal
