Hi there, Thank you for contacting TikTok. We understand how important your account is to you. After further review, your account will remain permanently banned due to a violation of our Community Guidelines. If you believe your content was restricted or reported by mistake, please do not reply to this message, and instead, submit an appeal with the following steps when logged in: 1. Open the app and log into the banned account 2. Select 'Appeal' on the pop-up message 3. Submit your appeal with any documents needed Once we have the appeal in our system, our team will review and action as appropriate. Please allow us 3 business days for your appeal to be reviewed and processed accordingly. For further information, please refer to our Community Guidelines: <https://www.tiktok.com/community-guidelines?lang=en>
