I disagree and oppose the ACMA being given power to "fact check" or determine what they deem as "misinformation" or "disinformation". I am against ACMA excluding main stream media like TV, radio, newspapers and magazines from this proposed institution of power because main stream media is often not a factual truth telling medium and prone to interference by those with controlling agendas - agendas that are not for

the good of this nation. I

also do not believe that if

**with controlling agendas
- agendas that are not for
the good of this nation . I
also do not believe that if
given this power the
ACMA will not invade our
private sms etc. Plus - the
pressure of these huge
fines against social
media will more than
likely cause them to shut
down many sites that
allow people's freedoms
of expression. As an
Australian taxpayer and
resident I disagree with
ACMA being given these
powers to restrict our
access to this**

them to decide for me .
