

We Robin Rixon and Gillian Rixon DO NOT in any way agree with any government person party or body telling US THE PEOPLE who work for US what we can say or not say We live in a democracy n without FREE SPEECH this world would still be classed flat The government got covid wrong The Voice wrong So absolutely no to any kind of authoritarian censorship So NO NO NO We live in a free democratic country n it is going to remain that way The people of Australia hold that power not bungling beaurocratic governments and uneducated people in positions they should not be in

Yours in freedom of speech

Robin and Gillian Rixon
