Re: Communications Legislation Amendment (Combating Misinformation and Disinformation) Bill 2023

This is my primary submission to the Department of the AUSTRALIAN GOVERNMENT.

I make my submission on the ‘Question of Fact’ that in order to pass any law, concealed from the Australian Elector at the 2022 Federal Election, is challengeable.

I will provide my evidence relevant to this proposed Bill, which renders this proposed legislation disabled & defective, effected from the 2022 Federal Election due the fact that –

‘NO STATE GOVERNOR’ issued a valid writ, for the election of Senators from a State, since 1980.

This has been accepted & concealed in the Steven Georganas MP, SUPREME COURT OF SOUTH AUSTRALIA Case, at Adelaide, under Acting Judge Katrina Bochner – Charged for Misprision of Treason – TWICE!

My submission argues that the proposed amendment is inappropriate & un-Constitutional to the role of ACMA as the Communications Regulator. The proposed new powers for combatting misinformation and disinformation is inconsistent with a democracy which must allow dissenting views to be expressed & discussed freely.

This submission points out the entrenched Australian Electoral flaws and contradictions in the draft documentation. This is also the reason for the disabled exposure draft’s definition of “*excluded content*”.

In the exposure draft, (p.6 & p.7), ACMA would apply the definition:

excluded content for misinformation purposes means any of the following:

...

(b) professional news content

...

(e) content that is authorised by:

(i) the Commonwealth; or

(ii) a State; or

(iii) a Territory; or

(iv) a local government

That is, content published by professional news or various levels of government, will not be considered as misinformation. This assumes and implies *excluded content* is information, which is not necessarily true. All the above are disabled from the draft proposed legislation in the absence of a valid GOVERNOR of a STATE, to issue a valid Writ, under the MONARCH.

ANTHONY ALBANESE MP, & every FEDERAL ELECTIONN Candidate did consent to signing a Declaration at section 44, Commonwealth Constitution Act, 1900 in order to stand at the 2022 Federal Elections, 21st MAY, 2022.

I will now refer to Ita BUTTROSE, Chair, AUSTRALIAN BROADCASTING CORPORATION (ABC), who authorized & actively supports the article on the corporation website, titled –

‘This Man said Elections, mortgages & (council) rates are all invalid’.

<https://www.abc.net.au/news/2023-05-02/man-advises-clients-elections-rates-mortgages-are-invalid/102274956>

I have personally written to Ita BUTTROSE’S Legal Counsel, and this response of nearly 500 pages remains current and un-answered, regarding & exposing the ABC & ‘The 730 REPORT’, over misinformation during the COVID pandemic. Ita BUTTROSE has given de Facto, tacit agreement to the fact – **‘Elections are invalid’**.

What happens when Australian Electors challenge, or question or discuss any and all **excluded content** for their – ‘misinformation’ (which "*contains information that statements that are blatantly false, misleading or deceptive*")?

How can ‘misinformation’ of **excluded content** be challenged & discussed & taken into a KING’S Court, under the same ‘COMMONWEALTH CONSTITUTION ACT’ 1900 (Cth), that –

PRIME MINISTER ANTHONY ALBANESE MP, Re-Pledged his Secular Oath of Allegiance, to the newly coronated Monarch, at WESTMINSTER, LONDON, on 6th MAY, 2023???

The ‘Communications Legislation Amendment (Combatting Misinformation and Disinformation) Bill 2023’, cannot continue until this Constitutional Issue is before the HIGH COURT OF AUSTRALIA - & DECIDED BEYOND APPEAL.

The draft & proposed legislation requires transparency to the AUSTRALIAN PUBLIC & ELECTOR, is deceptively written & considered & should be **WITHDRAWN** without further amendment, until the PRIME MINISTER opens a public conversation with All Australians, before starting on a new BILL.

Finally, I am prepared to exercise my Right to attach the UNITED TRIBES COPYRIGHT TRADEMARK document, which includes the NORTHERN TERRITORY of AUSTRALIA – LOCAL COURT CASE, by CRAIG OLDROYD, current & pending, for the issue of the unpaid –

COPYRIGHT for the KANGAROO & EMU & all Native Animals & Birds, which now engages –

THE AUSTRALIAN GOVERNMENT & all State & Territory Incorporated Governments, across

AUSTRALIA.

I will require a legal response, from my FEDERAL MEMBER, otherwise, PRIME MINISTER ALBANESE will be actively trading in –

INTERNATIONAL COPYRIGHT BREACH, by the recognition & enforcement by –

WORLD INTELLECTUAL PROPERTY ORGANISATION (WIPO),

&

INTELLECTUAL PROPERTY AUSTRALIA, at WODEN, ACT,

I request that your Corporation **WILL BE REQUIRED** to provide me, the Legal Brief to confirm, your standing – positive or otherwise. Failure to provide this documentation requires the reporting of this incident to the –

UNITED TRIBES for the FIRST NATIONS ELDERS,

For further investigation of potential legal action, against the Directors of ACMA, but not limited to all

FEDERAL POLITICIANS, for the –

COPYRIGHT & TRADEMARK breaches,

at **GENEVA, SWITZERLAND &**,

WODEN, AUSTRALIAN CAPITAL TERRITORY.

Yours sincerely,

Dear Ms Wang / Mr Schwager

RE: OFFICIAL NOTICE OF DIRECTION TO CORRECT ERRORS & UPDATE RECORDS

We write to you as members of the **United Tribal Countries Land Alliance** to introduce ourselves as Original Crowns in right of the Independent Self-Governing Countries **TIBNLA of the Majagi, Nyamal Widagura Putalyirri, Narrunga / Ngarrindjerri / Kurna / Noongar, Jagalingou, Nyangbul, Yanggu, Waa-Wurrung, and Palawa South East Tribe** on the terrain known to you as *Terra Australis* (or Australia). This terrain's history since colonisation has been built on fraud, misrepresentation and without honour. The Original (Indigenous) Custodial Tribal Soverains and Sovereign Nationals have claimed their unalienable God given rights and privileges to self-determination, cultural, social, political, and religious freedoms under *Original Custodial Tribal Law, Customary International Humanitarian Law* and the *Law of Nations*.

Our members have reconvened their ancient *pactums* through their shared languages, dreaming and songlines, which connect all tribes on this continent and beyond. We have all staked our claims by placing our Countries Flag's and Coat of Arms into our Tribal Estates, Mother Earth, such as the example shown here https://www.youtube.com/watch?v=QF_JoEbf-1M&t=38s. As per the *Law of the Belligerent*, we have informed the belligerent occupiers that we are the "returning sovereign" and informed the BAR Association and all body politics that their services are no longer required.

We have declared Peace! and reconvened our ancient treaties with foreign countries, Independent Original (Indigenous) Custodial Tribal Soverain Countries, and Sovereign non-citizen Nationals. We are all in compliance with the Montevideo Convention on the Rights and Duties of States, and we have informed all quasi-Australian Federal State and Territory Governments and their departments, acting agents, assigns, nominees, heirs and successors, including the British Crown, US Corporation, the Vatican, and the United Nations, of our Lawful standing.

[REDACTED]

This official notice informs you that our *Seeds of Governance* and our *Original Custodial Tribal Law* has never been ceded on the terrain known to you as *Terra Australis* or "Australia", and we have continued to this date to conduct our Original Tribal Customs' Law Ceremonies and Traditions despite the continuation of attempted genocide being perpetrated on us by belligerent foreign occupiers.

TIBNLA is a *Private Members Association* which represents the three tribes of the Majagi Countries. These tribal countries consist of Tiwi, Brinkin and Larrakia. Their motto is '*Lo go nama*' which means "do no harm" in English. TIBNLA have informed and recorded all information with international Countries and bodies, including yourselves (WIPO & IP Australia) and through Article 6ter by accession to the Paris Convention. Under their governance structure, TIBNLA have instituted the ***TIBNLA Patent and Trademark Office*** to protect ALL of our sacred emblems and intellectual property from further destruction and desecration. This is official notice that the following images have been protected as follows:
