

After 2 years of planes flying over my home, the effect on mental health for myself and so many others is unjust and the mere fact that BAC,ASA and all other complicit parties think that it's ok to destroy people's lives. Brisbane is fast becoming the most unliveable city. We have worked hard, paid our taxes and rates and are being ignored. The airport is built next to the water yet they choose to fly over 226 Brisbane suburbs.
