## Checklist for a concessional RAV entry approval application for a trailer

December 2023

### Approval holder details

- Identify who (individual or corporation) would be the approval holder responsible for meeting all the approval conditions.
- State whether you have been granted 4 or more concessional RAV entry approvals in the same weight category in the past 12 months.

### Trailer details

- Provide documents demonstrating the type of trailer – box trailer, caravan, camper trailer, boat trailer, etc.
- Provide documentation confirming the trailer’s aggregate trailer mass (ATM), tare mass, and gross trailer mass (GTM) in kilograms. Proof of the ATM could be:
  - the specification document prepared by the manufacturer
  - a photograph of the identification plate showing the ATM
  - if the trailer was manufactured in the USA, a copy of the Certificate of Origin
- Specify the trailer’s vehicle category code.
- Provide the trailer’s country of manufacture.
- Provide the trailer’s length, width, height and weight?

### Compliance with national road vehicle standards

- Include a declaration that:
  - the trailer complies with the applicable Australian Design Rules (ADRs), or
  - will comply with the ADRs (as in force at the time that the application is submitted), at the time that it is entered on the Register of Approved Vehicles (RAV).

- If you are applying for a high ATM trailer (a trailer with an ATM of more than 4.5 tonnes), provide compliance information showing that the trailer complies (or will comply) with the applicable national road vehicle standards (ADRs) at the time it is entered on the RAV.
- If the trailer needs to be tested when it is in Australia, identify the ADRs that cannot be confirmed as compliant until after the trailer is imported.
