 CANBERRA ACT 2601

Dear Mr Hicks

Transfer of Community Sport Infrastructure funding

I would like to confirm arrangements for the transfer of funding under the Community Sport Infrastructure – Female Facilities and Water Safety Stream program from the Department of Infrastructure, Transport, Cities and Regional Development (Infrastructure) to the Department of Health as agreed by the Prime Minister (MS19-002071 refers). A copy of the letter is attached (refer Attachment A). The transfer includes some sport and infrastructure projects totalling \$43.6 million that align with your portfolio’s responsibilities from the Community Development Grants (CDG) Programme which were amended in subsequent correspondence.

I propose that funding allocated in the 2019-20 financial year be transferred through Section 75 of the *Public Governance, Performance and Accountability Act 2013* once *Appropriation Act (No.1) 2019-20* has received royal assent. The Department of Finance has confirmed that a s75 transfer is suitable for this purpose. The remaining funding allocated in the forward estimates will be transferred by self-balancing estimate adjustments through the 2019-10 MYEFO update. The total funding to be transferred will be:

Administered funding	2019-20	2020-21	2021-22	2022-23	Total
Annual administered expenses	\$ million	\$ million	\$ million	\$ million	\$ million
Program 3.1 Regional Development	s75 transfer	Estimate adj	Estimate adj	Estimate adj	
Community Sport Infrastructure	20.000	40.000	40.000	50.000	150.000
Community Development Grants	33.108	10.528	-	-	43.636
Total transfer	53.108	50.528	40.000	50.000	193.636

A list of projects to be transferred from the Community Development Grants Programme is at Attachment B.

I would appreciate your confirmation of the transfer at your earliest convenience by signing the confirmation below. The contact officer in my department for this matter is s47F on (02) 6274 s47F or at s47F @infrastructure.gov.au.

Yours sincerely,

The Hon Michael McCormack MP
 Deputy Prime Minister
 Minister for Infrastructure, Transport and Regional Development
 Parliament House
 CANBERRA ACT 2600

Dear Deputy Prime Minister

A handwritten signature in black ink that reads "Michael".

Thank you for your letter of 20 June 2019 regarding the transfer of the \$150 million Community Sport Infrastructure – Female Facilities and Water Safety Stream program (the program) from your Department to the Department of Health.

I agree to transfer responsibility for the program and associated administered funding of \$150 million to the Health portfolio, with the Minister for Youth and Sport, Senator the Hon Richard Colbeck, as the responsible Minister. I have asked the Minister for Youth and Sport to deliver the projects identified at Attachment A, totalling \$139.23 million, under the program.

I ask your Department work with the Health portfolio to ensure delivery of the program does not duplicate the purpose or outcomes of existing programs within your portfolio.

Since my letter to you regarding projects to be delivered under the Community Development Grants (CDG) Programme (MC19-044735 refers), I am advised your Office and the Office of the Minister for Youth and Sport have agreed sport infrastructure projects of \$2 million or less that align with the sport and recreation priorities of the Health portfolio, should be delivered by the Health portfolio rather than by your portfolio.

On this basis, I ask that you transfer \$43.49 million in unallocated funding from the CDG Programme to the Health portfolio for the delivery of projects listed at Attachment B.

Sport infrastructure projects, totalling \$113.75 million, which will continue to be delivered by your Department, are at Attachment C. I trust these projects can be delivered through the CDG Programme in the same manner as existing sporting investments, such as the new Brisbane Lions facility at Springfield. I ask that in rolling out these projects, you engage the Minister for Youth and Sport on key milestones and related events.

This letter and your incoming correspondence from 20 June 2019 will be submitted to the Cabinet at a forthcoming meeting.

CANBERRA ACT 2600

Dear Prime Minister

I am writing to seek your agreement to transfer administered funding of \$150 million for the Community Sport Infrastructure (Women's Sporting Facilities) program from the Department of Infrastructure, Transport, Cities and Regional Development to the Department of Health.

On 30 March 2019, you and Senator the Hon Bridget McKenzie, the then Minister for Regional Services, Local Government and Decentralisation and Minister for Sport, announced \$150 million of funding for the development of female change room facilities at sporting grounds and community swimming pools across Australia. The \$150 million in funding for the four year program was provided to my Department in the 2019-20 Budget.

Following the election and changes to ministerial responsibilities, responsibility for sport has transferred from Minister McKenzie to Senator the Hon Richard Colbeck, Minister for Youth and Sport within the health portfolio. As there is no longer a responsibility relating to sport within my portfolio, I recommend transferring the measure to the Department of Health.

My Department will work with the Department of Health to ensure the Community Sport Infrastructure program does not duplicate other programs delivered within my portfolio.

Thank you for your consideration on this matter.

Yours sincerely

Michael McCormack
