Dear Minister *Mark,*

During the 2022-23 October Budget, the Australian Government agreed to the Investing in Our Communities Program (program) to deliver election commitments and eligible commitments committed by the former Government's Community Development Grants Programme during the 2022 Pre-election Economic and Fiscal Outlook of up to \$5 million.

My department has identified that the following commitments are better placed to be administered by your portfolio.

If you accept this transfer, this can be confirmed via return letter. I will advise the Prime Minister of the reallocation of commitments to alternative portfolios once the transfers are settled.

Thank you for your consideration of this matter.

Yours sincerely

Dear Minister *Catherine*

Thank you for your correspondence regarding the proposed transfer of ten election commitment projects from your portfolio to the Health and Aged Care portfolio. I apologise for the delay in responding.

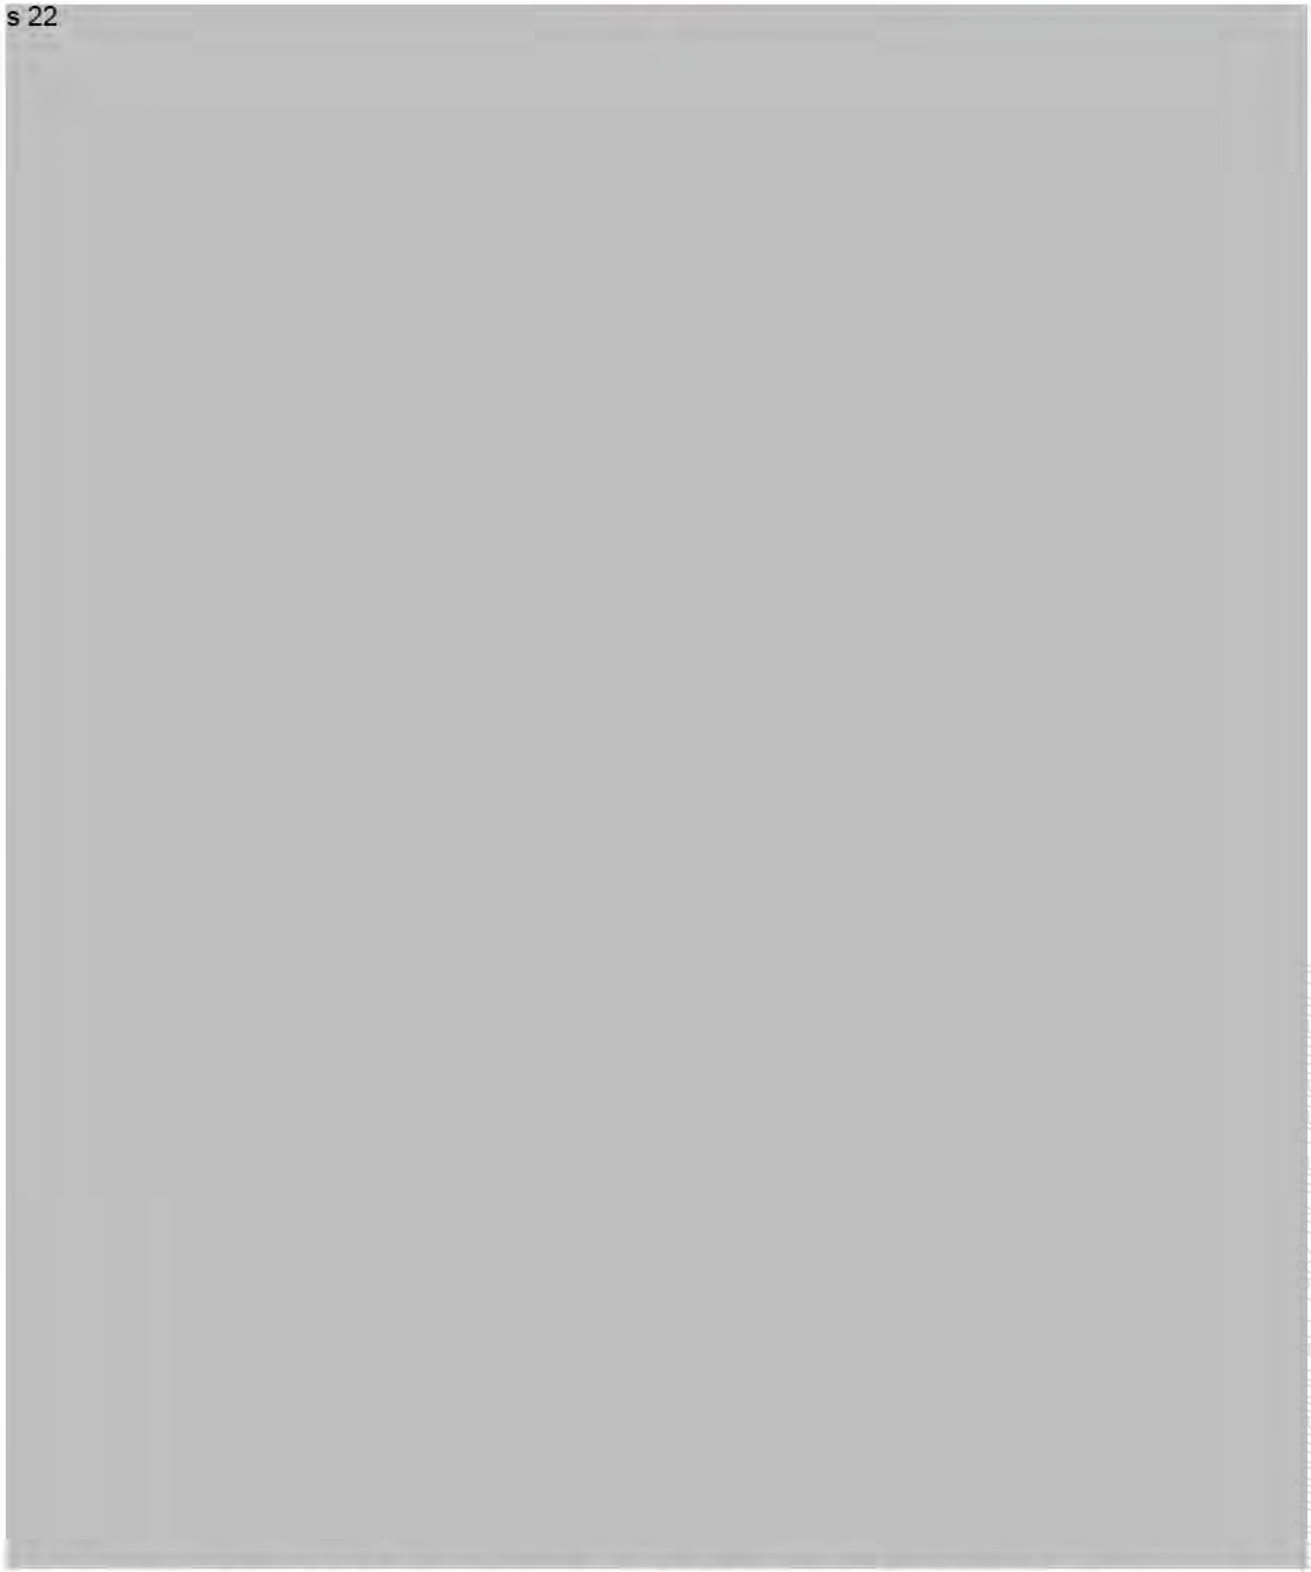

The Department of Health and Aged Care has engaged with your department to discuss the transfer of these commitments, and the approach outlined below is consistent with those discussions. Seven of the ten commitments can be appropriately administered in the Health and Aged Care portfolio within existing legislative authority and with minimal modification to existing grant programs.

s 22

To enable the delivery of the seven projects that are aligned to the department's existing programs and legislative authorities and to ensure compliance with the Commonwealth Grants Rules and Guidelines, noting the existing volume of grant funding agreements the department is working with Community Grants Hub to execute this financial year, I propose to deliver these commitments as early as possible in the 2023-24 financial year.

Accordingly, I seek a transfer from your department to the department of s 22 in administered appropriation in 2023-24.

Released under the Freedom of Information Act 1982 by the Department of Infrastructure, Transport, Regional Development, Communications and the Arts

Thank you for your consideration of these proposed changes. I look forward to working with you to deliver on our Government's election commitments.

Thank you for writing on this matter.

Yours sincerely

Mark Butler
