

Regional Development services

Delivered by the Department of Primary Industries and Regional Development in the Indian Ocean Territories

April 2022

Services

The Department of Primary Industries and Regional Development – Regional Development, on behalf of – and fully funded by – the Australian Government, provides the following services in the Territories:

- Operational support to the Territories Community Resource Centres (CRCs)
- Delivery of the Territories Price Index which calculates and analyses the cost of a common basket of goods in the Territories compared to the Perth metropolitan area.

What does this mean for me?

CRCs are located on Christmas Island and the Cocos (Keeling) Islands offering a wide range of information, community-based services and activities to local businesses, residents and visitors, including:

- access to technology including community computers, internet, video conference facilities and printing
- access to the BE CONNECTED program to help build online / technology skills
- information on government and community services
- delivery of community education, social and business activity events, including event equipment hire.
