Hi Danielle,

I will get some more clarification, but the Surveillance Devices Act is governed under NSW law. I would direct this question on first instance to the NSW AG's Department.

**Subject:**

Police are hunting a man who has been secretly filming women sunbathing on Bondi Beach with Ray Ban spy glasses after a complaint solicited scores of "me to" responses from women around Sydney.

s 11C was shocked when a friend in London contacted to say a video of her in a bikini talking to a man with an American accent on the iconic beach had gone viral on TikTok.

The graphic designer was "stunned" and left feeling vulnerable when she discovered the footage of the interaction had been viewed 700,000 times and liked 19,000.

**The man has 2.4m followers and is going round Australia filming women.**

# Can to comment or do anything to ban these devices in Australia?

**DANIELLE GUSMAROLI**
