The Committee met on Friday 1 October to continue discussions in relation to transition from NSW at the conclusion of the 2021 school year.

Queensland officials provided further clarification on a number of employment related matters that are being considered in consultation with NSW officials.

The Committee noted that responses have now been provided for the full list of questions put to the Committee by the NSW Teachers Federation Staff Representative. Additional questions raised by teaching staff have been taken on notice.

The Committee will meet again on Thursday 7 October 2021.
