

Organisation questionnaire response

Privacy Setting: I agree for my response to be published with my name and position.

What organisation do you represent? (required)	ACF Community Canberra
What is your name? (required)	Amy Blain
What is your position at the organisation? (required)	Co-Lead
Please rank the proposed options in order of preference. (optional)	Option A - 3rd, Option B - 2nd, Option C - 1st
Briefly, what are your reasons for your choice? (optional, 3000 character limit)	We support the submission by the Conservation Council ACT Region. We urgently need new vehicle efficiency standards to rapidly cut our transport emissions (19% of Australia's annual emissions in 2022). Option C will lead to emission reductions of 74 million tonnes. It is of paramount importance to prioritise our environment and the automotive industry cannot continue to hold back advances that will be better for our environment and Australians health and financial security.
Do you support the Government's preferred option (Option B)? (optional)	Yes
Do you have any feedback on the analysis approach and key assumptions used? (optional, 3000 character limit)	NULL
Briefly, describe how the NVES might impact your organisation (optional, 3000 character limit)	NULL
Who should the regulated entity be? (optional, 3000 character limit)	NULL
