**Privacy Setting:** I agree for my response to be published with my name and position.

<b>What organisation do you represent?</b>  (required)	Angligrreen
<b>What is your name?</b>  (required)	Fr Peter Moore
<b>What is your position at the organisation?</b>  (required)	Chair, Angligrreen - Anglican Church Southern Queensland
<b>Please rank the proposed options in order of preference.</b>  (optional)	Option A - 3rd, Option B - 2nd, Option C - 1st
<b>Briefly, what are your reasons for your choice?</b>  (optional, 3000 character limit)	The Climate Crisis is real and requires urgent action. The complete cost of not going hard is higher than the costs required for the fastest transition.
<b>Do you support the Government's preferred option (Option B)?</b>  (optional)	NULL
<b>Do you have any feedback on the analysis approach and key assumptions used?</b>  (optional, 3000 character limit)	The science is clear that urgent action is required and the consequential costs of going slower out weigh the additional cost of going hard.
<b>Briefly, describe how the NVES might impact your organisation</b>  (optional, 3000 character limit)	It gives us information so we can educate people on the true costs and encourage them to act accordingly.
<b>Who should the regulated entity be?</b>  (optional, 3000 character limit)	NULL
