

Organisation questionnaire response

Privacy Setting: I agree for my response to be published with my name and position.

What organisation do you represent? (required)	Wind Projects Australia Pty Ltd
What is your name? (required)	KINGSLEY SLIPPER
What is your position at the organisation? (required)	Director
Please rank the proposed options in order of preference. (optional)	Option A - 3rd, Option B - 2nd, Option C - 1st
Briefly, what are your reasons for your choice? (optional, 3000 character limit)	We are failing our Grandchildren if we continue to ignore the problem of emissions. In fact we should also be imposing the Option C standards on diesel generators too.
Do you support the Government's preferred option (Option B)? (optional)	Yes
Do you have any feedback on the analysis approach and key assumptions used? (optional, 3000 character limit)	Question 7 is a trick question, Yes I support changing the standards.
Briefly, describe how the NVES might impact your organisation (optional, 3000 character limit)	The Corporate world hides behind the excuse of \,ä duty of maximising shareholder value\, . Rules need to be tightened to redress externalities which are not captured by a market mechanism such as a carbon tax.
Who should the regulated entity be? (optional, 3000 character limit)	Australian Federal Government
