

South Australia: Growing Regions Program—Round 2 projects

Applicant Organisation	Project Title	Project Description	Project Location	Project State/territory	Commonwealth Funding Approved
Kingston District Council	Investing for the future - no child left behind in Kingston	The project will deliver a new childcare centre, including a nature-based outdoor play space, indoor learning environments, consultation offices for child allied health service professionals, and a designated space for children’s playgroups and family members.	Kingston SE	SA	\$3,500,000
Corporation of the City of Whyalla	Whyalla Beach Splash & Play Plaza	The project will deliver a destination playground which will include an adventure playbox, outdoor adventure play area, flying fox, swings, net crossings, climbing wall, monkey bars, water features, wave lawn and scooter track, basketball court, landscaping, seating, shelter, lighting and picnic areas.	Whyalla	SA	\$3,141,443
APY Art Centre Collective Aboriginal Corporation	First Nations Men's Multidisciplinary Art Spaces and Keeping Places	The project will deliver men’s art spaces and keeping places at four established Indigenous Art Centres (Mimili Maku Arts, Kaltjiti Arts, Tjala Arts and Umoona Community Arts) to support the growth in men’s engagement in art and artefact making, and where culture is celebrated and instructed daily through art and cultural practice.	Mimili, Fregon, Amata and Umoona Communities (Coober Pedy)	SA	\$2,509,470
Penola Football Club Incorporated	Penola Football Club and Community Sports Hub Redevelopment Project	The project will redevelop the existing facility by improving access through a covered stairwell and lift, incorporating more environmentally sustainable design features including LED lighting, installation of rainwater catchment and water efficient fixtures and fittings, installation of double-glazed windows, and installation of energy-efficient appliances. More flexible multi-use spaces, improvements to the ergonomics of the kitchen and bar areas, and external BBQ area, improved viewing spaces, and incorporation of improved information and communication technology will also be incorporated.	Penola	SA	\$1,437,250
