

Western Australia – Thriving Suburbs Program projects- as at 2 December 2024

Applicant Organisation	Project Title	Project Description	Project Location	Project State	Commonwealth Funding Approved
City of Swan	Brabham District Community Centre	The project will deliver a new district community centre, with versatile bookable meeting rooms, hall catering and outdoor event space facilities to support greater local engagement and social cohesion for the rapidly expanding multicultural population.	Brabham	WA	\$3,877,500
City of Belmont	Belvidere Streetscape Revitalisation Project	The project will revitalise the streetscape by transforming the main street into an activated space with alfresco dining areas, green spaces, enhanced lighting, event and market ready spaces and amenity, providing community space and opportunities for community connection, and enhanced liveability for the future residents in the high-density dwelling development.	Belmont	WA	\$4,745,000
City of Gosnells	Sutherlands Park Sporting and Recreational Precinct	The redevelopment project will replace aged infrastructure providing multi-purpose community rooms with changing, sporting, and catering facilities, accessible public tiered seating, toilet facilities and hireable outdoor spaces to meet the rapidly growing community's needs.	Huntingdale	WA	\$10,650,000
City of Joondalup	Moolanda Boulevard Pedestrian and Cycleway Bridge	The dual-purpose pedestrian and cycleway bridge will provide 2.5km of uninterrupted network of shared pathway access, safely linking the freeway path and connecting residents with five local primary schools, residential and conservation areas, shopping precincts, recreational areas and train stations, enhancing safety and physical connectivity.	Kingsley	WA	\$2,372,865
City of Rockingham	Rockingham Lotteries House and Community Hub Development	The project will deliver a new affordable community hub and fit-for-purpose space for the relocation of the Rockingham Lotteries House, providing improved access to community services, not-for-profit providers, recreation facilities, arts studios, multi-purpose bookable office space, playgroup options and parenting support services.	Rockingham	WA	\$1,397,975
Drukpa Australia Incorporated	Drukpa Hall Project	The project will deliver a dedicated space for the community by transforming an existing warehouse into a functional space to explore Himalayan Buddhist traditions and experience spiritual and cultural teachings, retreats, workshops, charitable events and youth outreach activities, to increase community engagement and cohesion.	Wanneroo	WA	\$642,473
City of Kwinana	Kwinana Recquatic Centre Redevelopment	The project will redevelop Kwinana's flagship aquatic and recreation (recquatic) centre with expanded pool areas, family water play features, expanded and modernised health, fitness and wellbeing facilities, and changing areas increasing the local community's access to high-quality amenities, enhancing health, wellbeing and liveability options.	Kwinana Town Centre	WA	\$15,000,000
Shire of Murray	McLarty Sports Pavilion - George Beacham Replacement Changerooms	Part of the Murray Sport and Recreation Infrastructure Plan, this project will contribute to the construction of a new George Beacham Pavilion including fit-for-purpose amenity and gender-neutral changerooms, to accommodate the growing female participation in AFL, and increase club participation, to support the rapidly growing community in Pinjarra.	Pinjarra	WA	\$2,065,000
City of Kwinana	Kwinana City Centre: Shaping Vibrant and Connected Public Spaces	The project will transform the city centre precinct providing vibrant, accessible and sustainable urban space with improved connections between public and green spaces, with new surface treatment, public art, wayfinding, seating, signage and pedestrian access prioritising community connectivity and social cohesion.	Kwinana Town Centre	WA	\$2,100,000

Western Australia – Thriving Suburbs Program Projects as at 2/12/2024

W A Portuguese Club Inc	WA Portuguese Club Community Cultural Centre - Hamilton Hill	The multi-purpose space and community function cultural centre project will deliver a vital state-of-the-art cultural hub, with fit-for-purpose amenity, children’s playgrounds, sporting and activated spaces for the Portuguese and broader migrant community within Fremantle, Cockburn and Melville municipalities.	Hamilton Hill	WA	\$2,405,000
City of Melville	City of Melville Cultural Heart Precinct – Library and Cultural Centre	The project is part of the broader Melville Cultural Heart Precinct Project delivering a new 6-star accredited library and cultural centre with revitalisation of the surrounding environment to support literacy level improvement and encourage greater local resident engagement.	Booragoon	WA	\$15,000,000
City of Fremantle	Hilton Park - Stage 1 (Northern Zone)	The Brad Hardie Pavilion revitalisation project will deliver accessible full size and junior ovals with associated sporting amenities, native green spaces, and creation of new gathering spaces co-designed with local Elders to provide a culturally safe yarning circle area, and enhanced sporting and active recreation opportunities for the local diverse community.	Beaconsfield	WA	\$3,747,977
Shire of Mundaring	Mundaring Cultural Hub	The project will deliver a dynamic multi-purpose town centre community hub facility that integrates community services, including toy and library services, a visitor centre, museum, arts centre, flexible meeting and event spaces, fostering social, cultural cohesion and economic growth in the region.	Mundaring	WA	\$15,000,000
