Dear Sir

We write to you in relation to the request for feedback on the Spectrum Reform paper to be lodged by 30th July 2017.

Larrakia Investments Pty Ltd is the operator of a HPON Narrowcast Licence, Aboriginal TV Channel 4 - Licence Number 1152326/1 - in Darwin and operates from 100 Deloraine Rd., Shoal Bay N.T.

We have successfully operated in this area targeting Aboriginal people and Communities for many years and we would like to submit that this important operation is in no way compromised by any proposed changes to the licencing system.

We are passionate about the service we provide and have a strong presence and high credibility across our broadcast footprint.

We fully support any efforts from the Department to streamline licencing processes, which would add more surety of tenure for broadcasters.

We also wish to be included in any future correspondence regarding this reform and are happy for this submission to be made public.
