I support broadcasting to the Pacific

Dear Sir/Madam,

I am writing to support broadcasting to the Pacific. Why?

- *For many people in PNG, Bougainville, Solomon Islands, and Vanuatu there is no service.
- * It is short sighted to limit/deny our Pacific neighbours an ABC service. As China gains more influence there I believe it is essential to continue and expand our influence there.
- * It is a form of soft diplomacy and will gain us respect and gratitude from many people in the Pacific. We need this more than ever now.

Thankyou,

Yours sincerely

Frances Hepburn(Mrs)
