**To:** Competitive Neutrality Inquiry  
**Subject:** Inquiry into the competitive neutrality of the national broadcasters

ENOUGH IS ENOUGH. The fat has been cut form the ABC. The recent budget cut to the ABC is an unbiased reporting channel. One Nation voters will get wiped out in the next election and where will that leave our independent broadcaster.

There's been enough enquiries and cuts. In times of extreme weather events it's the ABC we can rely on as well as an unbiased view.
