
Rachel Scane

My name is Rachel Scane, I'm a makeup and Prosthetics Artist for film and TV and I've been working in the industry since 2016.

In my relatively short time in the industry I've been lucky enough to work on a range of shows from a international projects to Australian productions. These include Full time roles on Romper Stomper and Australian Gangster and I was also lucky enough to do days on the award winning show, Cleverman.

I love working on Aussie projects. We have so many stories to be told. I think loosing our voice on our screens would be a real loss for Australian culture as well as the industry.

I think we deserve to see our lives and our history told from our perspective, not just International imports that don't reflect our lives and culture. We have such diverse and interesting stories. Our crew and creative talent is some of the best in world. This should be showcased and celebrated.

Please don't let that be lost.
