
Radek Jonak

Actor / personal trainer

Hi I am a WAAPA graduate from 10 years ago, the small acting school that had Hugh Jackman. We all come out with a dream of working in the industry, and the reality is only 5% work and to take away Australia stories we are all loosing out. Less work, less creativity and less stories about Australia. We have a produced some fantastic films, I was lucky enough to be part of Red Dog, which I still few very lucky today. So please consider keeping Australian content Australian.
