Motor Vehicle Standards Act 1989 Review  
MVSAreview@infrastructure.gov.au

Submission in response to the MVSA 1989 Review by the  
Caravan Trade & Industries Association of Queensland

Dear Sir

Our Association represents around 250 members in the State of  
Queensland.

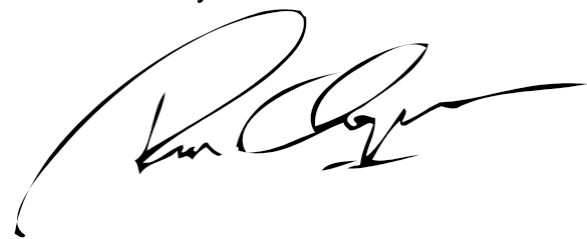

We have been active in compliance matters in one way or another  
throughout our 50 year history.

Of recent times we have been involved most actively with our federal  
body, Caravan Industry Association of Australia and fully support the  
submission sent to you by them.

We have, therefore, not submitted another detailed submission which  
would be repetitive by nature.

Should you wish to contact me however, details are printed hereon or  
my mobile number is #####.

Yours faithfully

Ron Chapman  
Chief Executive Officer
